## Addresses Rotarians On Subject of Insurance

Bristol Rotarian, Harold E. Hanson, representative of the Prudential Life Insurance Company, spoke to fellow members of the Rotary Club at the Elks' Home yesterday on the subject of insurance.

"The primary purpose of life insurance is for the protection of the family," Hanson pointed out, "and the function is to create and maintain estates."

Sketching the historical background of insurance companies the speaker pointed out that the first one in this country was the Presbyterian Ministers Fund, originating in 1759, and still active today. In the 1880s the assessment companies came into existence and these were subsequently discarded for our present day level premium policies.

Hanson outlined in detail many of the purposes for which insurance has been specially developed, including business insurance, partnership insurance, industrial insurance, mortgage protection insurance, and group insurance.

President E. Keller Fox was in charge of the meeting. Guests were present from Bensalem, Morrisville and Bristol.

## REVIEW HISTORY OF CHINA HALL

### Edward Barnsley, Newtown, Speaker At Meeting of The D. A. R.

### SERVED AS HOSPITAL

CROYDON, Sept. 19.—Bucks County Chapter of the D. A. R. held its first meeting of the current year in historic China Hall, on the banks of the Delaware, three miles below here, Monday.

A picnic lunch was enjoyed under the mammoth old trees, after which the members retired to the ballroom of the old mansion, where Edward R. Barnsley, Newtown, whose ancestors were connected with the history of China Hall, delivered an interesting address.

Mr. Barnsley spoke of the early owners of that tract of land, the most colorful of which was Andreus Evarandus Von Braam Houckgeest, who erected this elegant mansion in 1779, and called it China Retreat. Von Braam, who had been in the employ of the Dutch East India Company, said Mr. Barnsley had made several voyages to China, and brought back many beautiful objects of art, hence his choice of name for his new home.

China Retreat, it was explained, was turned into a seat of learning in 1832, and organized as Bristol College under the patronage of the Episcopal church. Additional buildings were erected, and at one time as many as 100 students were in attendance.

In a few years it became a classical school, and about 1842 a military school was opened in the China Retreat building. During the Civil War it was occupied as a military hospital, and afterward as a State school for colored soldiers' orphans.

Down through the years, said Mr. Barnsley, China Hall has had many philanthropic uses, and its present owner, Henry Wilkins, Philadelphia, in cooperation with Chaplain Nussbaum, of the Galilee Mission, is working on a project for making it a home for underprivileged boys.

The October meeting of the D. A. R. will be held at the home of Mrs. James C. Usilton, Bristol, R. D. 2.

**BASE AT SANDIA**

The Denver Post's recent

"scoop" to the effect that "atomic

war" defense caverns are being

constructed in the New Mexican

desert conveyed a somewhat

erroneous impression of what is

going on near Albuquerque. But

it had a solid foundation in fact.

In a sense the Denver paper's

account is now news, for the War

Department points to a joint War

and Navy Department announce-

ment, issued on July 24, dealing

with the project.

At that time it was disclosed

that the two services had set up

an Armed Forces Special Weap-

ons Project to carry on work with

atomic weapons and added that

the principal field installation "is

Sandia Base, located at Albu-

querque, N. M."

What has been done or will be

done at Sandia is another matter.

The Denver paper may or may

not be warranted in describing the

undertaking as a \$10,000,000,000

affair and in saying that Sandia

is destined not only to be a storage

place for atomic bombs but a base

for a global air force of delivering

these weapons to targets any-

where.

The War Department will only

say that the operations are "clas-

sified military information,"

which means they are secret.

Yet precise details are not nec-

essary for the average person to

understand that the Armed

Forces are preparing to use atom-

ic weapons in case of need. And

it is something of a shock to real-

ize, knowing how terrible an

atomic war would be, that this is

actually the case. The men re-

sponsible for the nation's defense

would be derelict in their duty if

they proceeded otherwise.

But the very fact that they are

under this compulsion is eloquent

testimony that the menace of

Russia is real.

A scientist says he has discov-

ered that noise does not disturb

sleepers, which is poor infor-

mation to put out for neighbor

consumption.

In the controversy over hous-

ing no one has given much atten-

tion to the well-known dove of

peace, which must be growing

tired of hovering.

More than 800 persons re-

ceived salaries of \$75,000 and up-

wards in the past year. The old

gentleman smiling broadly is their

Uncle Sammy.

## BRISTOL H. S. SQUAD LACKS SEASONED BACKFIELD MEN

**Coach McLister Tries Converting Lineman into Fullback**

**A 10-GAME SCHEDULE  
13 Seniors on Squad May Play in Opening Game**

Thirteen seniors are among the 14 football candidates for the Bristol High school field which faces a 10-game schedule starting today against Bordentown Manual Training School at Bordentown.

The job that is confronting Coach Harry McLister and his assistant, Jerry Bloom, is to find a good starting backfield. So scarce is backfield material that Coach McLister has pulled "Buster" Monachello from the line and is using him at the fullback position.

Monachello's driving power and powerful legs makes him a fine backfield man and he is expected to produce those extra few yards when needed for a first down. McLister now has Joe Natale for the running plays. Natale was late in reporting for practice and is now rounding into shape.

These are the only two real experienced men McLister has in his backfield. He has little worries in his line with such players as: "Mike" Iannucci, "Jim" Sottile, Dave Cordisco, "Mike" Pone, Allan Gleason, and Tony Esposito.

McLister is slowly working his boys in their positions and has yet to announce a starting lineup which he will do before the Bordentown game.

His list of candidates include: Joseph Rago, Harry Stephens, Sebastian Monachello, Michael Ian-

nuci, Vincent Genco, James Sottile, Harry Speck, Richard Harmon, Paul Killian, Robert Hutchinson, Joseph Natale, Richard Riedel, Joseph Sionne, Joseph McNerny, Donald DeLong, David Cordisco, William Pearson, Robert Kornstedt, Michael Pone, Charles Long, William DeRisi, Paul Bessinger, Martin Brahm, Gasper Favoroso, Alex Monte, Charles Smith, John Fisher, Joseph Gialardi, Herman Welker, Francis Costantino, Julian Bley, Joseph Liberatore, Thomas Strong, Richard Burlington, Larry Harrison, William Cochran, Alfred Daniel, William Hall, Joseph Martini, Allan Gleason, James Oliver, Herbert Weida, Graceon White, and Anthony Esposito.

Included in the schedule as arranged by faculty manager, Charles Utz, are four night games, three away and one at home with Abington.

The schedule follows:

Date	Opponent	Place
Sept. 20	Bordentown	Home
Sept. 26	Trenton Catholic	Away
Oct. 3	Pottstown	Away
Oct. 11	Conshohocken	Home
Oct. 24	Vineland	Away
Oct. 27	Abington	Home
Nov. 1	Langhorne	Away
Nov. 8	Burlington	Home
Nov. 15	Bensalem	Home
Nov. 27	Morrisville	Away

\*Night game  
\*Morning game  
Jerry Bloom, of Lock Haven State Teachers College, newly-appointed assistant football coach and head basketball coach is aiding McLister and will have charge of the junior varsity team.

The junior varsity schedule is as follows:

Date	Opponent	Place
Sept. 29	Trenton Catholic	Home
Oct. 13	Bensalem	Away
Oct. 20	Abington	Away
Oct. 27	Newtown	Home

Child welfare chairman, Mrs. Britt requested that all units which have "adopted" children at Scotland School remember them from time to time. Mrs. Reeves, hospital chairman, urged that visits be paid to hospitalized men who have no families or close friends, as such interest means much to the patients.

A number of units received citations. The next session, October 17th, will be at Souderton.

O Lord Jesus Christ, Thou Good Shepherd of the sheep, who camest to seek the lost and to gather them to Thy fold, have compassion upon those who have wandered from Thee; feed those who hunger, cause the weary to lie down in Thy pastures; bind up those who are broken in heart, and strengthen those who are weak, that we, relying on Thy care and being comforted by Thy love, may abide in Thy guidance to our lives' end; for Thy name's sake. Amen. (From the Gelasian Sacramentary.)

## Sportsmen's Briefs

By JOE ELBERSON

Saved a life . . . the skill and accuracy with which Ollie Hobbs, Bristol's best known exponent of fishing, handles a fishing rod, resulted in saving the life of a fellow angler in the inlet at the Barnegat Light a few days ago. The rescued, name unknown, ventured out into the surf to get more distance to his cast when the undertow caught him and swept him out. Hobbs succeeded in lacing a cast over the victim and hauled him shoreward. When still several yards from shore the tremendous strain on the line caused it to part and the victim immediately sank beneath the surface. Another well placed cast by Hobbs, after the line was allowed to settle, succeeded in hooking once more into the victim. Pressure was exerted and the body brought to the surface. At this point a third angler, name also unknown, placed a second line into the clothing of the victim and he was hurriedly reeled shoreward, dragged from the water and revived.

Edgely meets . . . next Tuesday, at eight p. m., members of the Edgely Rod & Gun Club will meet in the Headley Manor Fire House. Several important items of business are on the docket, including a decision on when to release Edgely's share of the pheasants. All interested sportsmen have a cordial invitation to be on hand, and all members are urged to attend.

Fishing trip . . . after a terrific amount of excitement before they even put their feet aboard a fishing craft last Sunday, the six local anglers who witnessed the explosion of the large party boat at Brielle, and assisted in rescue of the victims, later put out to sea on the "Dorothy C" for a very successful day of trolling.

Thirty-two allabore were brought to gaff before the party started shoreward. Average weight was 25 pounds. Vari-colored trolling lures were employed, with red proving the most effective.

In the party were Herman Petrzi, Joseph Kryven, Frank Murphy, William Koenig, Norman Hetherington, all of Bristol, and George Irving, Croydon.

Second round . . . this Sunday, beginning at one o'clock in the afternoon, shooters from the Bristol, Edgely, Newtown and Tru-Sport clubs will participate in the second of the four matches scheduled in this interclub shoot. The shoot will be held over the traps

of the Tru-Sport Club in Southampton.

Edgely took the lead in the first match held last Sunday over the Bristol traps when her shooters rolled up a score of 420. Bristol is 19 points behind in second place, with a group score of 101. Newtown shooters tallied a 331, while Tru-Sport shooters turned in a 312.

About deer . . . from the August issue of the Pennsylvania Game News, official organ of the Pennsylvania Game Commission, comes the following item:

"Pennsylvania is not the only state confronted with the deer problem. West Virginia is holding an antlerless deer season this year for the first time. It plans to issue 7,500 permits, hoping to remove 1500 surplus deer from the area to be opened."

## ROHM & HAAS 'LAB' SCORES WIN OVER HUNTER-WILSON

Pitching five-hit ball and holding grimly on to a slim, 3-2 edge over the Rohm & Haas Lab team, Dick Smith, hurling for the Hunter-Wilson club, suddenly "blew sky high" in the fifth inning as he issued three passes and hit two batsmen behind a single by Ralph Hart, which all together turned the victory tide away from Hunter-Wilson and enabled the Lab club to roll in to victory by a 6-3 margin as four easy runs jogged across the plate in the fatal frame.

By winning, the Lab team has earned the right to meet the Bristol Methodist in the final game of the Losers' Tournament on Monday night. The site of the contest is to be named later. In the last meeting of the Lab and Methodist clubs, Methodist beat the Lab, 2-1, in nine innings in the opening round of play to give the Lab its only setback thus far in the tournament. Thus it will be interesting to see the result of Monday's game when the two teams oppose each other for the second time for the right to meet St. Luke's in the final game (or games as necessary) for the tournament championship.

## VOLTZ WINS OVER DEMOCRAT CLUB

In a benefit game played on Leedon's field last evening, the Voltz-Texaco nine won over the Democrat Club, 7-5. Receipts of the game were given to an injured Democrat Club player, Charles "Hokey" Leighton.

The Oilers won the game by scoring five runs in the fifth inning after Bob Norris had held them to two runs and three hits in four frames. In the final canto, Voltz registered their quintet of markers on five hits, including a double from the bat of "Jimmy" Cooper.

The Democrats rallied in their turn with the stick and managed to

chase two runs across the plate on a long triple from the bat of Ray Pierandozzi. The losers had six hits to their credit and were led with the stick by Leighton who had two for two.

The winning peakman was "Sammy" Kershaw who had four strikeouts to his side of the ledger and walked three batters.
